## System Requirements:

Playing the game on high or ultra settings can cause some issues for those on the older generation of Xbox 360 consoles, and can lead to some glitches or game crashes, such as a glitch where you enter the first stage of the "Human Race" without a ship, or an issue where you can't get to the "Mystery Of The Ancients" stage of the game, causing some issues in regards to the ending of the game. When playing, remember that you are playing on an emulator, so the game will most likely be running on a Gen 5 Xbox 360 console, and that
