Days of wildness: director Car-Wai Wong. Leslie Chung, Maggie Chung, Andy Lau, Karina Lau. The man is trying to figure out who his real mother hunts. - I know it was you, I always knew you were my mother. "No, no, no, but you can't know." - Everything is very simple. It's you. I know because ... Very strange to look like director Wong Car Vai makes playing in the theater of one actor. In fact, the film is not the theater, but this does not mean that it is not the theater. Throughout the film, it is felt that he tries to show the viewer as one person can resist the world.
