In this game, you can expect to see cars that are represented in real life. Perhaps you will stumble upon a car that looks like one you find in the real world. If you play online, you will have a chance to race against people from all over the world. Now is your chance to create a real car. However, you are not just going to be able to buy a real car. You will have to make it out of the elements, such as wood. Then, you are going to have to be able to take it apart and put it back together again. It sounds a bit difficult, but you will be able to do it. In short, you will have to be able to put a car together in a way that is fun and challenging. You will play a race with other drivers. The winner will receive some points, and then you will be able to play again. This can continue indefinitely. Fuzzy Cars 4. 2+ Beat a minimum of 12 achievements for increasing the game! You are a professional car designer, but you have a very wide range of skills. Join the ranks of the most talented engineers, and use your creativity to design for life. You have a number of options available to you. You can build your own car, or you can buy one at a well-equipped dealer. Whatever you do, you can never be satisfied. It is your job to create a vehicle that the residents of your city can enjoy in and outside the motorway. Do not hesitate to use all the features available to you to earn a living in the world of car design. Get the most out of your car and build it into a true masterpiece.
